

It Takes Two to Talk

Help turn every moment of your child's life into an opportunity to communicate

SAL Consulting is excited to offer the unique *It Takes Two to Talk* program to families in Sydney.

This program is for parents of children (birth to 5) who need some extra support with language development.

It is designed for any parent or carer who would like to encourage and increase communication with their child.

The course is run by our Hanen trained Certified Practising Speech Pathologists who are experienced and passionate about supporting children and their families.

The program runs from our Ultimo clinic over 6 weeks, commencing 4 August 2018. The program includes weekly group parent sessions and fortnightly individual sessions with parent and child.

We are holding a free information evening on Thursday 5th July 2018, 6-8pm for families and carers. For details of the program and to register for the information evening please email registrations@salconsulting.com.au.
